The Bonville Campus of Coffs Harbour Christian Community School has an **online ordering system for canteen lunches**. Our aim is to improve the ordering process for lunch time orders and also canteen operations by reducing cash handling. **The benefits of online ordering are:**

- Reduces the need for families to have cash on hand for their child's lunch.
- Allows parents and students to make lunch selections together at home.
- Pre-order increases lunch selections as only limited items are available at the counter.

**Note:** You are still able to purchase food and drinks at the counter with cash or order lunch by placing your order on a paper bag and enclosing payment.

Online orders can be made for lunches at the **Bonville Campus only**. Below are the steps required to register and use the system.
