It is important that we always remember that it is our core purpose at Coffs Harbour Christian Community School to teach from a Christian foundation and a Christian worldview. Students at this school benefit from a good education, but there is much more to it than that. We work to ensure that Christian teaching and values underpin all that we do.

As a parent, I feel blessed to have my children learning in a Christian environment. I hope you feel the same for your children.

Week 7

Indonesian Dance Workshop

On Wednesday, all students will be participating in an exciting Indonesian cultural dance experience as part of the Bali Buddies program. We welcome back Alfira and Murtala who will conduct the dance workshop. Their performances are always entertaining, and students engage in some of the dances and songs. Some of our students will be part of a performance at 2pm and we invite parents to join us at the Baptist Church if they can.

Nit 'sighting'

We have had a few parents mention that their child has had a case of lice recently. As frustrating as it can be, please regularly check your **child's hair and treat if necessary**, remembering to do a follow up treatment 7 days later. Thank you for your diligence.

Grand Opening ...

Hooray—work on our new playground is now officially finished! All students have enjoyed using the play area already. There is an enormous amount of work that goes into a project like this, and we are very grateful to everyone involved. Stay tuned for details of our GRAND OPENING next week.
