### PLEASE PRAY

- *Pray that the true meaning of Easter will reach many un-churched people*
- *Pray for safety over the Easter break for all our families*

### Reflection

This is the first of two short weeks in a row at school. The reason for this, of course, is the Easter break – an opportunity for, among other things, reflection. People look forward to Easter as an opportunity to get away for a short break, spend time with family and friends, catch up on tasks around the home and all sorts of other things.

It does, however, give a perfect opportunity to live at a slower pace for a few days and to use this time to reflect on how the year is going and, more importantly, how our lives are going. We are immensely blessed, but it is easy for us to be blinded to this by the onrush of tasks and responsibilities that can swamp us in our everyday lives.

Of all our blessings, the central one is that God loves us. While we struggle and find that we are not good enough, He loves us enough to send His Son to die for us when this is actually a consequence that we deserve. This death did not finish Him, though. It brought about victory over death as He rose from the dead and victory over all of our sin and our struggles that we wouldn't have been able to deal with any other way.

It is good to have the time over Easter to reflect afresh on our lives and the blessings of God's love that we can see if we only take the time to look and be thankful.

Tuhan memberkati,

### *Teddy Bear Picnic love*

# Week 9

## Teddy Bear's Picnic

Our annual Teddy Bear's Picnic for Kindergarten and Year 5 students took place last Wednesday. Student buddies had a fabulous time playing on the new play equipment and the weather was perfect. Thank you to the teachers for organising such a fabulous event.

## For Sale

**Honey**  
from our High School.  
500gr jar - only \$5.00 each.  
This honey is *delicious* **so don't** miss out.

## Information Now Available

**We now have brochures available on a large range of topics from the KidsMatter website. As a school, we will be working through this wellbeing program for students. Please call in to the office to pick up the current brochures if you are interested. Brochures will change as the program progresses.**

## Student Banking over Easter

A reminder that this week is Easter, and Good Friday and Easter Monday are Public Holidays. Therefore, we will not have Commonwealth Student Banking until next week. Also, don't forget to claim your rewards after 10 deposits, as stocks do run out quickly. Spare reward cards are available from the office.

## Disabled Parking

Parents, when picking up students after school, please do not park in the Disabled parking spot in front of Community Care Options, even **if it's only for a few minutes**. We suggest you register for gate pickup instead.

## New CAPA area

The new area for Creative and Performing Arts is now well underway. There will be an outdoor stage, mirrors and dress up storage for performances. The recent removal of 3 large water tanks has made this space available for our outdoor theatre, and we're very excited to see it take shape.
