Our Run 4 Membantu was held last Friday with perfect weather and enjoyed by all attending. Thank you Mr Yardley for organizing such a fun day. Also, we appreciated all the efforts of our 'blue shirt' workers and a huge thank you to James Moncada for running over 10kms leading our students around the track. The winning house is GOLD! We raised \$3126.10 which is a great effort. Thank you to all our students who took the time to collect sponsors and also to those who donated generously. Week 11

School Photos This Week

School Photo order forms need to be sent in to school by Tuesday (tomorrow). If paying online please don't forget to put your receipt number on the form. A little reminder to the girls to wear either plain navy blue, white or red hair accessories only. Photos should be returned to us in the first few weeks of Term 2.

Mufti This Friday

Last day of term 1

Friday 8 April

Students can dress up as a teacher, and teachers can dress as a student!

This will be interesting!!!

We will be collecting a gold coin from each student that chooses to dress up, and all money will be sent to the orphanages in Bali.

Remember that Friday is still a sport day, so appropriate clothing and footwear is essential.

ANZAC Day Assembly

Our first day for Term 2 will be Tuesday 26 April. As this is the day after ANZAC Day we will be holding our own ANZAC Day Assembly in the Baptist Church from 11.30am. Families and friends are welcome to join us for this event. Please remember to sign in at the door and park safely.

Important Reminder—Mobile Phones

This is an important reminder that mobile phones and other electronic devices must be handed in at the office if brought to school. Students are not to keep phones etc in their bags for use at recess or lunch. Any item found in a students' possession during the day will be confiscated and will require a parent to collect it. The school takes no responsibility for phones etc if brought to school. We are happy to keep them in the office but do ask for the students name to be clearly marked on it.

World Of Maths

This Monday and Tuesday our students will enjoy a visit from the 'World of Maths' Road-show. Each session will engage the students in various mathematical ideas showing students that maths can be fun. Parents are welcome to attend—please contact the office for times.

Uninvited Holiday Guests

Well this is just what you needed coming into school holidays ...! Some parents have reported that their child/children have had head-lice! Please check, and if found treat and treat again. A nice leave in hair oil means the nits find it hard to attach to hair follicles, which could be helpful as a preventative measure.
