Week 1 of 10 Term 2

Leadership Restructure

The Junior School is a significantly large sector of our school. Approximately one third of our student population is within our Junior School.

This factor, plus the geographical separation from the Bonville Campus, where the majority of school business and operations are centred, presents administrative and leadership challenges which are somewhat unique.

I have been reviewing a number of areas whereby the administration and operation of our Junior School could be enhanced.

From Term 2, a new structure of dual leadership will be introduced for the management of the Junior School. Daryl Davey and Terrence Yardley will share this dual leadership, as Co-head of Junior School.

Rodney Lynn
Principal

The following are some photos from our ANZAC Assembly today. Our students are to be commended for leading the Assembly so well and reminding us of God's Word in JOHN 15 verse 13—*No one has greater love than to give up one's life for one's friends.*

Week

1

Staff Movements

We are all delighted to welcome back Mrs Kelly Freeman from maternity leave. Little

Ned is now one year old and growing up way too fast! Mrs Arnold has enjoyed teaching 3F during Term 1, and will remain with us while Mrs Petersen commences her Practicum at another local school during Term 2.

Welcome Home

Mr Pratley and his family have returned from their visit to the Philippines with two very special additions to their family. Welcome Evbrahil and Jeros, who are now the youngest members of the Pratley family. Please be praying for a smooth adjustment to a new family, a new home and a new country for these precious little ones.

Model School

The photographers commissioned to take our School Photos attend many schools around the Mid North Coast (and beyond). It was felt that a comment from Phil was worth passing on to all our school families, describing us a 'model school', and one that they enjoy attending. He also praised the efforts of our families in regard to our uniform. *Thought you should all to know!*

Can You Help?

'Move'n'Groove' is in need of helpers for each morning except Thursday and Friday. If you would like to start your day in a fun way, assisting the students with their movement program, please contact the school office. Thank you.

Internet Issue!

We returned to School to find our Internet down due

to an unfortunate issue with vermin. Technicians worked hard to restore our connection but this also affected our phone lines. Our apologies if you tried to contact the Junior Campus this morning. The Internet has now been fixed and hopefully there will be no further problems.

School Hours

Arrive from 8.15am
(no earlier)
Classes begin 8.50am
Classes finish 3.05pm
Parents are reminded to sign in at the office if visiting the school for any reason for any length of time.

NAPLAN for Yrs 3&5

Tuesday 10/5—Language Conventions & Writing
Wednesday 11/5—Reading
Thursday 12/5—Numeracy
Please ensure your child is well rested the night before and is at school on time. Students arriving late for the test will be required to make up the test on Friday 13/5. Classes have been practicing so should have sound understanding of how the test works and therefore not be too anxious.
