Week 10 of 10 Term 3

Holidays

With holidays fast approaching we are all feeling mixed emotions. Some of us are looking forward to the sleep-ins and beach days, others are looking forward to having time to finish that project. But many parents I have spoken to struggle with the question, "How am I going to juggle family time and work?" Holidays can be a stressful time for some families.

As I was contemplating this newsletter article, I was reminded of the fact that our children are not always going to feel excited about spending time with mum and dad! Right now, while they are young, we have opportunities that won't come again. We must be proactive in grabbing those quality time moments, whether they come in 5 minute snippets or 2 hour blocks, and enjoy being with our little gems.

When you revisit your school holiday memories, what were the things that stuck with you? I often ask kids what they got up to during the break and nine times out of ten, they tell me about a specific moment in time that meant something to them. It might have been a walk through the Botanical Gardens with a grandparent, a family bike ride or a skate along South Wall, throwing a fishing line in or building a tree house with dad or camping in the rain.

Whether you have the whole holidays off, a couple of days, or you are working right through, grab those moments when you can. Whatever you do these holidays, remember that you are creating long lasting memories with your beautiful children. One of the most important things you can give them is your time.

Ina (remember)
God made you special and he loves you so much!

Week 10

Mufti Day This Friday

On our final day of Term 3, students can wear mufti. Modesty and closed in shoes are ESSENTIAL. The theme is BRIGHT SPRING COLOURS, but there's no need to buy anything amazing, some favourite clothes from home will be perfect!

A gold coin is required for anyone in mufti, and this will be added to the funds from our Mini Market and sent to our sister schools in Bali.

We pray that all our families will be blessed with fabulous, safe holidays

A Great Win

Congratulations to Jade Lee from Year 5, who has had some amazing results in the NSW State Karate Titles, coming 1st place in Kata and 2nd place in Weapons. Great work Jade. We are very impressed with your efforts.

Time To Return ...

●All **Christmas Child gift boxes** need to be returned to school by this Friday. Thank you to all the families who have taken the time to lovingly put together a gift box.

●**40 Hour Famine** money is also due by Friday. We'll announce how much we raised in next terms Newsletter.

Sport Payments

All payments for out of school sports for Term 4 are due by Wednesday 21 September. Invoices were sent home last week for students in Years 3-5 who elected to do a sport incurring a cost.

Please Have A Look

Our lost property box is like a 'treasure chest' of all sorts of goodies. There is everything from school clothing to books and toys. Clothing items with a clearly marked name are returned to students after the weekly cleanout, however there is still a lot of other bits and pieces that need to go back to their homes.

Surf Groms Holiday Fun

Ages 5-12 year olds
5 day consecutive course
near Coffs Yacht Club
