Week 3 of 9 Term 4

Dolphin Marine Magic

The day had finally arrived! Some kindergarten students had been counting down this day from term one. They were thrilled to be travelling on the bus and some even sang an old favourite song along the way: The wheels on the bus go round and round!

When we arrived at the park the students were greeted by many different animals. The peacock was a hit and the students marvelled at his beautiful feather display. The hugs with the sea lion were wet and fun! We were privileged to be so close to such an amazing creature. Rubbing the bellies of the dolphins was so special and the students especially loved getting splashed as these graceful creatures glided by.

We are so blessed to have DMM here in our own backyard to see and enjoy God's beautiful creatures up close. The park is a great facility and we should be so proud to have it here.

I was impressed with the behaviour and attitudes of our students and as parents you should be as well. They really were such a pleasure to take out on an excursion. A big thank you to Mr Ham for all the organisation to make it happen and to the

parent helpers who gave up their time to come along on the day.

God made you special
and loves you very
much

Week 3

EOY Presentation Change

This year we will have a K-5 Presentation *evening* at our Bonville Campus in the Auditorium from 5.30-7.30pm.

There will be no restrictions on the amount of guests, and this is hopefully easier for working parents to attend. There is also a change of date so please adjust your calendar to:

Monday 5 December 2016

Stay tuned for further details in coming weeks.

Kinder Orientation

Tomorrow is our Kindergarten 2017 Orientation. We look forward to welcoming all our new little ones for next year. This is a big day for all involved.

Please note that the office will be unattended from 9.45am—12.00pm and all phone calls will go through to our message bank. Please pray all our new families will feel welcome and relaxed at our school.

Health Alert

We have had a confirmed case of Chicken Pox and would like to advise parents, particularly of unimmunised children, to be alert to any symptoms such as fever, headaches, sore throat or stomach aches. As Chicken Pox is highly contagious, please keep affected children home until all spots are no longer pussy and have crusted over.

Class 5Q are requesting that all families please collect plastic lids (any colour and size from milk or juice bottles etc) and send them in to school for an art project. Please wash them and send them in to the office—we'll be happy to pass them on.

Just To Clarify

Grandparents day is just for our Kindergarten students and their grandparents. Our apologies for any confusion. Notes for this event will be sent home this week, and will be a memorable time for our Kindies and their families.

October

Tue 25/10-Kinder 2017 Orientation
Fri 28/10-Yr 2 Solitary Islands Aquarium excursion

By the way ... Jade Lee (in year 5) is off to the World Titles Karate Championships in New Zealand this week. What an amazing achievement! We all hope you do well and look forward to hearing all about the competition on your return.

November
