### **Presentation Info—PLEASE READ**

With the end of the year fast approaching and Presentation Day looking very different this year, I thought I would give you all a heads up on what to expect on the night.

Presentation will be held at our Bonville Campus at 227 Bonville Station Road. The night will start at 5:30pm sharp with an anticipated finish time of 7:30pm. Keep in mind however, that this is the first time we have done this and we can't guarantee the exact finishing time.

The presentation will be held in the auditorium. This is the large building located on the eastern side of the high school. When you walk towards the school you will head down around to the left of the main entrance. There will be signs erected to guide you and also parking attendants to give you directions.

Parking will be on the road out the front of the high school and on the two front basketball courts. Please follow the parking attendants instructions to assist in filling all the spaces. Once the two basketball courts are full we will be parking down along the street.

Students will be expected to sit with their class for the duration of the presentation and reserved seating will be set out for them. Students will also be expected to be in full school uniform. For those students in an item, please refer to the notes sent home by Miss Condron as they have specific instructions for you to follow. If in doubt, arrive in school uniform.

I would like to shout out a big thank you to Mandy Condron for all the hours and hard work that she has put into this night. It was originally her idea to make it an evening event so that more parents and family members are able to join us in celebrating the achievements of our students!

God made you special and loves you very much

# Week 8

## A Friendly Reminder

We have recently had a complaint from a neighbour regarding afternoon parking. We understand that this is a very busy time, but ask that all families picking up their children be mindful of where they park, and be respectful of neighbouring properties. Council has inspected the situation and plans are being discussed for the future so stay tuned.

## Winding Down ...

- ⇒ This is the last week our **canteen** will be open. All stock will be run down , and there may even be some bargains by the end of the week!
- ⇒ **STUDENT BANKING** has also finished for the year. Next terms Newsletter will give details of when we start up again for the new year.

## Get Your Honey

We have had one final delivery of honey for the year from our Senior Campus. There is a decent amount but not a lot of time to sell it, so please pop in to the office by

Tuesday next week. Still only \$5 per jar for the best tasting honey around.

## Uniform Appointment

Don't forget to make your uniform appointments by Wednesday 7 December. Call 6653 4000 to secure a time. All fittings and purchases for the Junior School are done here at the Junior School campus, and please be on time. Thank you

## Costume List

**A note was sent home last week to all students who are in a dance item requiring a costume for Presentation Night. Please ask your child and check their bags as the note outlines all costume requirements.**

## Boys School Shorts

**All boys shorts now have the school logo embroidered on the leg. We understand that in the past, some families have purchased shorts from other stores such as Big W. At the end of Term 1 2017 all students will only be permitted to wear shorts purchased from our uniform shop with the school logo.**
