### **A Great Year Comes To A Close**

What a great year 2016 has been. There have been so many highlights and the time has flown by. Our school captains, Jim Cameron and Claudia de Carle, have represented our school well this year and I have asked them what their favourite things about our school are, before they head off to Middle School next year.

*Jim:* We have friendly children and teachers in our school. We have well-planned and engaging lessons that make learning fun. We have awesome excursions.

*Claudia:* We have the opportunity to learn and focus on God. I also like the creative way we learn. I have enjoyed Kindergarten Buddies and learning how to care for others. The teachers have been loving and nurturing too.

Thank you Jim, Claudia and the year 5 leadership team for faithfully serving our school. We will miss you along with all of your year 5 classmates!

I pray that all of our families have a wonderful and safe break and that you would take the time to remember the reason for the season! The birth of a helpless baby, who would grow up to live a sinless life, only to take on the sins of the world and die a criminal's death on a cross for you and me.

*“For God so loved the world that he gave His only son so that whoever believes in him shall not perish but have eternal life.” John 3:16*

Remember God made you special and He loves you so much!
