WEEK 2/10 24 JULY 2017

Soccer Competition Term 2

Did you know that soccer is still the most popular sport in the world with approximately 270 million - or 4% of the world's population - participating actively each year? Last term, our year 1-5 students were lucky enough to take part in a 6 week soccer coaching clinic. Adrian Pickup from Mini Roos came in to teach the students a variety of skills which were consolidated with fun modified games. Our students had a great time learning new skills and being active on the soccer field.

Mr Bosshard put together a lunchtime soccer competition to coincide with the program. Over 40 students from years 3-5 put teams together and signed up. Over the six weeks we had some very close matches, some going into extra time and others being won in penalty shootouts. The final was a standout match, with many students watching and cheering from the sidelines. The Mighty Trumps came out victorious and took out first place. Well done Samuel Morrison, Jai Jackson, James Lian Ching and Cooper Fagan

A special mention goes to our school photographer, Mrs Rae, for her brilliant action shots throughout the competition!

Another highlight was the student versus teacher match, with the students coming out on top! Condolences go to Mr Rowe, Mr Bosshard and Mr Warner.

A massive thank you to Mr Bosshard for all his hard work in putting the comp together and running it.

Our students will be taking part in a hockey coaching clinic this term, which will be a lot of fun. This time the Kindergarten students will also be involved, so they are very excited! Mr Rowe will also be setting up a putt putt golf lunch time comp, so stay tuned for further details.

God made you special and loves you very much
